Group Swim Lessons

Swim lessons allow children to safely enjoy the water and can reduce the risk of drowning. Enrolling your child in swim lessons is one way to get your child started in swimming as a competitive sport.

During swimming lessons, your child will learn many skills, depending on their age and maturity. Willow Oaks Pool group lessons occur 9 times over three weeks, with each lesson lasting approximately 45 minutes. These classes will be taught in small-groups.

Our swimming instructors are certified lifeguards and coaches for the Willow Oaks Swim Team.

No refunds for missed classes.
